

ULTIMATE sPS-1000

- Ultra low noise linear power supply
- Selectable output voltage
- Multi rail output range
- Ultra Low Noise Regulator Circuit
- Output short Protection circuit
- Over-Temperature Protection circuit

SPECIFICATION

USER INTERFACE

DC output on/off switch
Operating indicator
AC power input on/off switch(Rear panel)

AC POWER INPUT

Voltage : 220Vac ~230Vac / 110Vac ~ 115Vac
Frequency : 50Hz / 60Hz
Current : 2A / 4A

PROTECTION

Output short
Over temperature

DIMENSION

360 x 68 x 245(mm)

DC POWER OUTPUT

High level output
- Voltage : 18Vdc, 19Vdc, 20Vdc, 21Vdc selectable
- Current : 4A max

Mid level

- outputVoltage : 9Vdc, 10Vdc, 11Vdc, 12Vdc selectable
- Current : 2A max

Low level output

- Voltage : 5Vdc, 5.5Vdc, 6Vdc, 7Vdc selectable
- Current : 1A max
